Keep the Children Well

To keep the little ones well, sturdy and happy, free of coughs, colds, croup, little fevers and inflamed throats, use Foley's Honey and Tar.

It is carefully made of selected remedies that loosen and break up a cough, stop croup and ease an aching inflamed throat, and it is clean of all narcotics.

The prompt use of Foley's Honey and Tar is very heipful for whooping cough, and the restless feveriab state that attends children's diseases.
